

Skip your loan payment for the holidays! Here's how it works:

Loans that are not eligible include: Real Estate, Home Equity, and any currently delinquent loan, first payment on a new loan, loans where a skip has already been approved in 2021

When you skip a payment, your loan term will be extended. Interest continues to accrue during the skipped period.

If you have payroll deduction or automatic savings to loan transfer, the funds will remain in your account.

This form must be received at least 15 days before the requested skip payment date in order for us to stop automatic payments from occurring.

If my automatic payment is deducted from another bank or credit union, you will need to contact them to ensure the payment does not happen.

Mail or Fax the completed form to: PO Box 50526, Provo, UT 84605-0526 Fax 385-268-5123

IMPORTANT: All individuals who signed on the original loan, including joint borrowers and cosigners, must sign this request.
