International Credit Union Day!

Thursday, October 19, 2017 is International Credit Union Day! Credit Unions worldwide celebrate our unique philosophy of People Helping People.

CUP Federal Credit Union has been serving its members since 1960 and we are still going strong! Hopefully you have all benefitted from the terrific personal service, friendly staff and dedicated volunteers that have made this credit union a treasure.

We invite you to drop by our office on Thursday and get a treat, enter our prize drawing for a \$100 Amazon Gift Card, and just hang out with us!

Happy Credit Union Day! We LOVE our Members!

E Statements are AWESOME

There is a trend to go paperless in society today and we are behind it 100%! We print and mail statements every month on some members and every 3 months on all members. The cost to produce and mail statements is staggering. Paper statements are also the most unsecure way to deliver your private information.

We want everyone in the credit union to enroll in electronic statements. They are delivered in a secure environment with authentication keys in place behind our home banking program. Your information is safe, secure, and NO PAPER TO
